

Celebrate Kids! Conference Registration tips

Thank you for registering for the 27th Annual Celebrate Kids! Conference. We are delighted to share an improved conference registration process with our attendees this year. While we've found the new process to be quick and easy, we wanted to provide our network with a few notes to keep the process easy for everyone:

- There are arrows in the bottom right corner of the registration page that can be used to navigate back and forth between pages in the form
- Be sure to click the 'Submit' button after the form is completed
- You will receive an email confirmation. If you have checked your spam and still haven't received your confirmation, please contact us at ohiocasa@ohiocasa.org so we can assist you with the form submission
