

STREET SMART: OHIO

ADULT DRUG EDUCATION

HIDTA Director Derek Siegle

Captain Shawn Bain (RET)

Sergeant Michael Powell (RET)

SPEAKERS

Captain Shawn Bain (Ret.)

Captain Shawn Bain retired after serving over 29 years with the Franklin County Sheriff's Office in Columbus, Ohio an agency responsible for serving a population of over one million citizens. He has been assigned many different areas of responsibility in Law Enforcement including the jail division, patrol division, canine unit, SWAT, and Special Investigations conducting vice and narcotics investigations. He has also served as a supervisor in all of these areas.

Captain Bain's expertise in Law Enforcement lies within drug investigations. He has 20 years of experience in the drug field. He has served as the lead undercover detective or supervisor on over 3,000 undercover drug buys and participated in over 1,000 drug search warrants both at the local and federal levels. He has assisted in supervising several Federal Title III wire taps and State wire taps involving large scale drug trafficking organizations.

Captain Bain has been assigned as Task Force Commander of a large multi-agency drug task force with a focus on disrupting/dismantling large-scale drug trafficking organizations within the United States coming from Mexico.

He has found his passion the last 14 years in drug education. With the experience he gained while interviewing or interrogating thousands of drug traffickers and drug abusers, he has come to the realization that enforcement of drug crimes is not the solution to the drug epidemic plaguing our country today. Instead, the answer lies with education to change the culture of drug abuse in our society. This passion for drug education is evident during his instruction. He has lectured throughout the United States at a variety of national conferences and seminars.

Training: Captain Bain has received training on conducting drug investigations in Quantico, Virginia, San Diego, California, El Paso, Texas, and Columbus, Ohio. He has attended several schools and seminars related to narcotics across the country.

He is a graduate of the Federal Bureau of Investigations (FBI) National Academy.

He is a graduate of the Drug Enforcement Administration (DEA) Drug Unit Commanders Academy.

He is a certified instructor, Ohio Peace Officers Training Academy.

He is a Certified Prevention Specialist Assistant (CPSA) with the Ohio Chemical Dependency Professionals Board.

He is licensed with the Ohio Department of Mental Health and Addiction Services.

Shawn is also assigned as the Drug Intelligence Officer for the State of Ohio for Ohio (HIDTA) High Intensity Drug Trafficking Area.

SPEAKERS

Sergeant Michael N. Powell (Ret.)

Street Smart Ohio Instructor

Sgt. Michael N. Powell served with honor and distinction with the Franklin County Sheriff's Office for over 32 years. Since his retirement, Sgt. Powell continued to be engaged as a Public Information Specialist with the Franklin County Sheriff's Office through December 2018, conducting drug training throughout the state of Ohio and many other parts of the United States.

For the last 26 years of Sgt. Powell's law enforcement career, he was assigned to the Franklin County Sheriff's Office Special Investigations Unit (SIU), working narcotics, vice, and stolen property investigations. During his tenure, he participated in over 6000 counts of drug trafficking and executed over 1500 federal/local search warrants.

Prior to his retirement, Sgt. Powell supervised the Ohio High Intensity Drug Trafficking Area (HIDTA) federal task force in Columbus. He was instrumental in creating "Operation Street Smart" for the Franklin County Sheriff's Office. Sgt. Powell continues to conduct "Street Smart" training for Ohio HIDTA.

Sgt. Powell is widely recognized as an expert on illegal drugs; their manufacture, sale and impact on our society. He has lectured extensively across the country and has been enthusiastically acclaimed for his knowledgeable, enlightening and engaging instruction.

His remarkable and extensive experiences dealing with this country's drug problem, and his earned understanding of the human nature and behaviors that drive the abuse of illegal drugs, infuse his engaging presentation with both insight and wisdom.

From June 1995 through December 2001, Sgt. Powell was federally deputized and was a supervisor with the FBI Drug Task Force in Columbus. He is a graduate of the FBI National Academy in Quantico, Virginia

Sgt. Powell is a state-certified instructor of narcotics. He drafted the core curriculum and led the instruction of The Basic Undercover Narcotics Course conducted across the State of Ohio since 1984.

He is a Certified Prevention Specialist Assistant (CPSA) with the Ohio Chemical Dependency Professional Board and is licensed with the Ohio Department of Mental Health and Addiction Services.

AGENDA

Concealment

Alcohol

Marijuana/Cannabis Concentrates

Prescription Medication

Heroin

Fentanyl/Fentanyl Analogs

Cocaine/Crack/Psychostimulants

Methamphetamine

Other Topics May Include:

Huffing DXM, OTC/Prescription Liquid Cough Suppressants

Naloxone/Medicated Assisted Treatment (MAT)

MDMA (Ecstasy/Molly)

DFSA - GHB, 1-4 Butanediol

Steroids

Salvia Divinorum

Kratom Mushrooms

PCP and LSD

Khat

Synthetic Drugs

CONCEALMENT

- Think outside the box
- Anything and everything can be used to conceal an item
- If you can't imagine it, you can't find it!

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

ALCOHOL

- Alcohol is the number 1 drug of abuse in the U.S.
- Drunk driving cost the U.S. more than \$199 billion every year (MADD 12-2017)
- 15 million people struggle with alcohol use disorder, less than 8% receive treatment (CDC 01-2018)
- Teen alcohol use kills 4,700 people each year. (CDC 03-2016)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

MARIJUANA

- Diesel
- Gas
- Fire
- 420
- 1120
- Kush
- Blunt

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

CANNABIS CONCENTRATES

- BHO – Butane Honey Oil
- Ear Wax
- “710”
- Dabs
- Shatter
- Crumble
- Budder

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Prescription Medication

- The U.S. consumes 75% of the world's pharmaceuticals
- The U.S. consumes 80% of the world's pain pills
- The U.S. consumes 99% of the world's hydrocodone

THE UNITED STATES IS APPROXIMATELY 5% OF THE WORLD'S TOTAL POPULATION.....READ THAT AGAIN!!!

Hydrocodone (Norco, Vicodin, and Hysingla and others)_____

Oxycodone (Oxycontin, Percocet, and Percodan and others)_____

Gabapentin, Neurontin and Lyrica (Generic is Pregabalin)_____

Benzodiazepines (Benzos) Examples: Xanax, Valium, Ativan, Klonopin and others_____

HEROIN

- Hair – On
- Boy
- Tar
- Mud
- Dog Food
- Smack
- China Blanco/China White

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

FENTANYL/FENTANYL ANALOGS

- Synthetic Opiate - Schedule II
 - Much more powerful than Morphine (80 to 100X) and 30 to 50 X more powerful than Heroin.
 - Used to “cut” or replace Heroin or to mimic Percocet, Norco and Benzos
 - Very cheap to make
 - Fentanyl can absorb through the skin, very miniscule amounts can be dangerous
 - 2 milligrams ingested can kill. **(2 milligrams = 6 grains of salt per DEA)**
- 
- A photograph of three clear glass vials standing side-by-side. The first vial on the left is labeled 'HEROIN' and contains a small amount of white powder. The middle vial is labeled 'FENTANYL' and is mostly empty. The third vial on the right is labeled 'CARFENTANYL' and also contains a small amount of white powder. The labels are white with black text and are attached to the front of each vial.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

PRESCRIPTION PSYCHOSTIMULANTS

Medications

- Ritalin
- Adderall (Addies, Kiddy Coke, Asserall)
- Vyvanse (70mg called Supermans)
- Focalin
- Dexedrine (Dexies)

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

COCAINE

- Powder – “Soft”
- Crack – “Hard”
- “White Girl”
- White Lady”
- “Teenager” = 16th Ounce
- “8 Ball” = 1/8th Ounce

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

CRACK

Dealers preferred this new free-base form because:

- It was cheaper for them
- Easy to manufacture
- Simple for people to use
- Created more demand for the product
- Made them more money

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

METHAMPHETAMINE

- Meth
- Crystal
- Crank
- Ice

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

OTHER DRUG TOPICS

Naloxone/Narcan/Medicated Assisted Treatment (MAT)

DXM, OTC/Prescription Liquid Cough Suppressants

Huffing

MDMA (Ecstasy/Molly)

DFSA – GHB, 1-4 Butanediol

Steroids

Salvia Divinorum

Kratom Mushrooms

PCP and LSD

Khat

Synthetic Drugs
